TO: WEIGHTS AND MEASURES OFFICIALS

SUBJECT: Updated County Assignments for Division of Measurement Standards Personnel

Enclosed is the June 2, 2017 update for the Division of Measurement Standards (DMS) staffing list with county assignments for Devices, Weighmaster, and Petroleum enforcement programs. Due to funding issues regarding the Price and Quantity Verification program, staff may perform work in this program area only with prior authorization from the Enforcement Branch Chief or the Director.

Other services offered include:

- Training (including classroom-style) for most program areas is available for county employees by contacting Clark Cooney, Branch Chief at (916) 229-3039.
- Assistance in locating resources for standard specifications and calibration services for counties, service agencies, and private industry is available from the DMS Metrology Laboratory by contacting Tony Gruneisen, Principal State Metrologist at (916) 229-4858.
- Information regarding the interpretation of test results and specifications for petroleum and automotive products is available from the Fuels and Lubricants Laboratory by contacting Allan Morrison, Senior Environmental Scientist at (916) 229-3046.
- Assistance with county-related administrative issues is available by contacting Rebecca Bland, Staff Services Manager, Administrative Services Unit at (916) 229-3000.
- Contact your county's Device Enforcement Program specialist for issues regarding California Certificates of Approval, Registered Service Agencies, and device related laws and regulations at (916) 229-3000.

If you are unable to contact your investigator, or any of the staff members listed above, please call the main office phone number at (916) 229-3000 for assistance.

Sincerely,

Kristin Macey
Director
