TO: WEIGHTS AND MEASURES OFFICIALS

SUBJECT: Updated County Assignments for Division of Measurement Standards Staff

Enclosed is the August 19, 2019 update for the Division of Measurement Standards (DMS) staffing list with county assignments for Device, Weighmaster, and Fuels, Lubricants, and Automotive Products programs. Price and Quantity Verification assistance is available upon request with authorization from the Enforcement Branch Chief or the Director.

Other services offered include:

- Training (including classroom-style) for most program areas is available for county employees by contacting Clark Cooney, Branch Chief.
- Assistance in locating resources for standard specifications and calibration services for counties, service agencies, and private industry is available from the DMS Metrology Laboratory by contacting Tony Gruneisen, Principal State Metrologist.
- Information regarding the interpretation of test results and specifications for petroleum and automotive products is available from the Fuels and Lubricants Laboratory by contacting Allan Morrison, Senior Environmental Scientist, Supervisor.
- Assistance with county-related administrative issues is available by contacting Rebecca Bland, Staff Services Manager, Administrative Services Unit.
- Contact your county's Device Enforcement Program specialist for issues regarding California Certificates of Approval, Registered Service Agencies, and device related laws and regulations.

If you are unable to contact your investigator, or any of the staff members listed above, please call the main office phone number at (916) 229-3000 or use the general DMS email account dms@cdfa.ca.gov for assistance.

Sincerely,

Kristin Macey
Director
