DMS NOTICE
QC - 15 - 06
DISCARD: RETAIN

TO: WEIGHTS AND MEASURES OFFICIALS

SUBJECT: CMR Instructions for documenting CRV Enforcement Activities

Effective January 1, 2015, California Business and Professions Code (BPC) Section 12024.13, relating to the charging of California Redemption Value (CRV), was added. BPC Section 12024.13(d) states, "In the written report required pursuant to Section 12209, a sealer shall separately report any action taken to enforce this section that results in a penalty levied for a violation of this section." Each County should report their price verification activities as they relate to CRV, along with any penalties on the County Monthly Report.

A link has been placed on the County Monthly Report Menu that will direct you to the new County CRV Monthly Report form. Enclosed with this Notice are illustrations of the new web pages and instructions to fill out this supplementary report.

The Department appreciates the care taken by county weights and measures offices in enforcement and documentation of these violations.

If you have questions, please contact Katherine de Contreras, Supervising Special Investigator, Enforcement Branch at (916) 229-3047, or katherine.decontreras@cdfa.ca.gov.

Sincerely,

Kristin J. Macey
Director
