APPLICATION FOR REGISTERED MOBILE SLAUGHTERER

I hereby apply for a Mobile Slaughterer Registration based on the qualifications as set forth in the State of California Food and Agricultural Code, Division 10, Chapter 10, Section 22001.5. Said section states: The legislature finds and declares that mobile slaughter operators who perform the service of slaughtering cattle for the owner of the cattle on the owner's premises are not licensed slaughterers pursuant to this chapter. However, on and after January 15, 1998, a mobile slaughter operator shall be registered with the bureau as an unlicensed mobile slaughterer pursuant to Section 22037 and is subject to Section 22008.

22037 (a) A mobile slaughter operator, as provided in Section 22001.5, shall file a registration with the bureau that shows the names and addresses of the owners of the unlicensed mobile slaughterer and any other information the secretary may require.

(b) The registration shall be filed with the bureau before a mobile slaughter operator may slaughter cattle pursuant to Section 22001.5.

(c) After notice and hearing, the secretary may cancel the registration of any unlicensed mobile slaughterer for failing to comply with Section 22001.5 or 22008.

22008 Every person that is not a licensed slaughterer that slaughters cattle shall do all of the following:

(a) Keep a record book which he or she keeps for that purpose of all cattle that are slaughtered by him or her. The record shall include the name, address, and telephone number of the person for whom the cattle are slaughtered, a full description of the cattle, including the brands and marks, the date of slaughter, and the name and location of the food locker to which the slaughtered animal is, or the slaughtered animals are, delivered for butchering.

(b) Exhibit the record book on demand of any inspector or peace officer.

(c) Notify a brand inspector within 24 hours if he slaughters a bovine animal and does not deliver the carcass and hide to a frozen food locker plant licensed pursuant to Chapter 7 (commencing with Section 112500) of Part 6 of Division 104 of the Health and Safety Code.
