1. A Board to be known as the Dry Bean Advisory Board is hereby established to assist the Department in the administration of this Program and to conduct all activities not specifically delegated by said Board to Varietal Councils, subcommittees, consultants, or employees. Said Board shall consist of fourteen members and eleven alternate members. Eight members of the Board and their alternates shall be producers. Six members shall be handlers with three alternates and one member shall be neither a producer nor a handler and may be recommended by the Board and appointed by the Department to represent the general public. All of said members shall be appointed by the Department after due consideration is given to those individuals nominated or otherwise recommended for appointment as a result of procedures set forth below in Subsections 4 and 5 of this Article II. No natural person shall hold more than one member or alternate member position on the Advisory Board. (Amended 4/18/2016)
2. There shall be an alternate member for each member of the Advisory Board. An alternate shall serve for the same term and shall be selected in the same manner as the member for whom he or she is the alternate. Such alternate member shall, in the absence of his or her member, sit in the place and stead of the absent member or any absent member within the category-producer (by variety), warehouseman, or dealer, provided that in representing an absent member the alternate living in closest proximity to the absent member shall serve. 3. Except for the initial Advisory Board established under this amended Program, the term of office of members and alternate members shall begin on the first day of July of the year in which they are appointed and shall continue at the pleasure of the Department for a period of three (3) years and until their successors have been selected, appointed and have qualified. 5. Handler representation on the Dry Bean Advisory Board shall be without regard to variety or varietal category and shall be composed of six (6) members and three (3) alternates. The alternates shall be identified as alternate 1, alternate 2, and alternate 3. If any handler member is not present at a meeting, alternate 1 will be seated first, etc. Nominations for the handler members shall be made by the California Bean Shippers Association every three (3) years as part of the normal nomination procedure. (Amended 10/10/2006)
6. In the event that additions to or deletions from the Major Varietal Category are made pursuant to Article I, Section A, Subsection 9 and Article III, Section M of this Program, the Board may recommend to the Department, and the Department may approve modifications of Board membership needed to comply with Article II, Section A, Subsection 4; provided, that the approximate proportion of

producer members to handler members on the Advisory Board shall be maintained. Any said modifications of Board membership shall be by minor amendment as defined in the Act.

### **Section B. INITIAL ADVISORY BOARD**

1. The initial members and their respective alternates of the Advisory Board shall serve from the effective date of this amended Dry Bean Research and Marketing Program through July 31, 1981, or until their successors have been appointed and have qualified.
2. Nominations of producer members and their alternate members eligible to serve on the initial Advisory Board shall be received at the public hearing(s) held on this Marketing Program; provided, that such nominations shall be in accordance with the provisions of this Article II as to varietal representation.
3. Nominations of handlers eligible to serve on the initial Advisory Board shall be received at the public hearing(s) held on this Marketing Program provided that such nominations shall be in accordance with the provisions of Section A of this Article II as to occupational and other applicable requirements.
4. The Department shall appoint initial handler and producer members and their alternates from the nominations received at the public hearing(s) on this Marketing Program; provided, such appointments shall be in accordance with the provisions of this Article II as to varietal representation and occupational and other applicable requirements.

### **Section C. NOMINATION AND APPOINTMENT OF SUCCEEDING MEMBERS AND ALTERNATE MEMBERS OF THE ADVISORY BOARD**

1. During or reasonably prior to the month of January 1981, and every three (3) years thereafter during the period when this Program is in operation, the Department shall cause meetings to be held for the purpose of receiving nominations of producers and handlers eligible to serve as members and alternate members of the Advisory Board. The times and places of these meetings shall be as deemed appropriate and necessary by the Department to carry out the provisions set forth in this Subsection 1 or Subsection 2 of this Section C. The Board may make recommendations to the Department with respect to these nomination meetings and other procedures for selecting nominees for the Advisory Board. In any event, all producers and handlers eligible to participate shall be notified by mail of the times and places of meetings when called to receive nominations for members and alternate members on the Advisory Board. (Amended 5/10/1995)
2. Producer members and their alternate members on the Board may be selected for nomination and appointment by the Department in either of two ways:
  - a. For those major varietal categories whose producers have received approval of the Board and the Department to establish a Varietal Council, the Department shall hold nomination meetings at locations convenient to the producers in each major production area of the state to receive nominations for the persons to serve as members and alternate members of said Council. At each meeting the Department shall receive nominations for the proportionate number of the total membership on the Council to which the producers in the area of that meeting are entitled by the volume produced in that region. In addition to serving as members of the Varietal Council for that major varietal category, when so appointed by the Department, those nominated at such meetings shall serve as a committee to

participate in balloting, at a meeting, or preferential balloting by mail, to select from their number the members, and alternate members of the Advisory Board to represent that variety.

b. For those varietal groups or major categories whose producers have not received approval of the Board and the Department to establish a Varietal Council, the Department shall hold nomination meetings at locations convenient to the producers in each major production area. At each such meeting, the Department shall receive nominations for the proportionate number of a ten (10) person selection committee to which the producers in that area are entitled by the volume produced in that region. Those nominated as members of such selection committee shall be eligible to serve as members or alternate members of the Advisory Board representing that variety. Selection of those from that committee who are recommended for appointment as such members and alternate members shall be made by balloting of the committee members at a meeting, or by preferential balloting by mail. Those participating in the mail balloting may be either the members of the nominating committee or all producers of record of that variety if the Board and the Department determine that a more representative selection could be made by the latter procedure.

#### **Section D. APPOINTMENTS BY THE DEPARTMENT - FAILURE TO NOMINATE**

From the nomination received, the Department shall appoint the producer and handler members and their alternates to the Advisory Board to serve for the next succeeding term of office; provided, in the event nominations are not made pursuant to Section C of this Article II, or those nominated do not provide for equitable representation of the major geographical or occupational segments of the industry, or in case nominees are found to be ineligible or unacceptable for other reasons, the Department may make appointments to the Board without regard to nominations; provided, further, that persons appointed shall be in accordance with the requirements of this Article II.

#### **Section E. QUALIFICATIONS.**

Any person selected by the Department as a member or alternate member of the Advisory Board shall qualify by filing a written acceptance, Oath of Office, and other required forms with the Department within such filing period as may be established by the Department. (Amended 5/10/1995)

#### **Section F. ALTERNATE MEMBERS.**

An alternate member of the Advisory Board shall, in the absence of the member for whom he or she is the alternate, sit in the place and stead of such member. When an alternate sits in the place and stead of a member, such alternate shall have all the rights, privileges, and powers of such member. In the event of the death, removal, resignation, or disqualification of a member, his or her alternate shall act in his or her place and stead until a successor of such member is selected and has qualified.

#### **Section G. VACANCIES.**

The Department, through appointments, may fill vacancies occasioned by the death, removal, resignation, failure to qualify, or disqualification of any member or alternate member of the Advisory Board.

In making any such appointments on the Advisory Board, the Department may take into consideration eligible persons remaining from the respective group nominated at the most recent

nomination meetings, and thereafter may give consideration to any nominations made by the remaining membership of the Board.

**Section H. ORGANIZATION.**

1. The Board shall select a Chairman, Vice-Chairman, and other necessary officers and may adopt such rules for the conduct of its meetings as it may deem advisable.

2. The Dry Bean Advisory Board shall not perform any of its duties nor exercise any of the powers herein granted when more than four (4) vacancies of both members and their respective alternates exist. (Amended 5/10/1995)

3. One-half of the voting members of the Advisory Board plus two shall constitute a quorum. Unless specified otherwise, any recommendation of the Board to the Department shall require the affirmative vote of a majority of members present.

**Section I. EX OFFICIO MEMBERS AND CONSULTANTS.**

Each year the Board may nominate, and the Department may appoint, persons as ex officio members or consultants. Said ex officio members or consultants may participate in any or all deliberations of the Advisory Board; provided, that such ex officio members or consultants shall not be counted in determining the presence of a quorum nor shall they participate in the voting.

**Section J. EXPENSES.**

The members of the Board, including ex officio members or consultants, and of any committees provided for herein may be reimbursed for allowable expenses necessarily incurred by them in the performance of their duties and in the exercise of their powers hereunder, but no such member shall receive a salary in the performance of such duties.

**Section K. DUTIES AND POWERS OF THE BOARD.**

The Board shall have the following duties and powers, which may be exercised subject to the approval of the Department:

1. To administer the provisions of this Program.
2. To recommend to the Department administrative rules and regulations relating to this Program.
3. To receive and report to the Department complaints of violations of this Program.
4. To recommend to the Department amendments to this Program.
5. To assist the Department in the assessment of members of the industry and in the collection of such assessments to cover expenses incurred by the Board and the Department in the administration of this Program.

6. To assist the Department in the collection of information and data the Department or the Board may deem necessary to the proper administration of the Program and of the Act.

7. To keep minutes, books, and records which will clearly reflect all of its meetings, acts, and transactions and those of the Varietal Councils and to provide the Department with copies of the minutes duly certified by an authorized officer of the Board or of the Varietal Councils. Said minutes, books, and records shall at all times be subject to examination by the Department.

8. To employ or retain such staff or consulting personnel as may be deemed necessary and to fix their compensation and terms of employment.

9. To conduct, when the Board deems it desirable, a survey of opinions of producers or handlers throughout the state by means of public meetings, referendum, or other satisfactory method, regarding any action being considered by the Board that would affect or concern dry bean producers or handlers or any segment thereof.

10. To review and coordinate all recommendations of Varietal Councils and if deemed appropriate, to recommend them to the Department for approval.

**Section L. LIMITATION OF LIABILITY OF MEMBERS OF THE ADVISORY BOARD.**

The members and alternate members of the Advisory Board of the Varietal Councils, ex officio members and consultants, or any committees hereunder duly appointed by the Department, and the employees of such Board, shall not be held responsible individually in any way whatsoever to any producer or any other person for errors in judgment, mistakes or other acts, either of commission or omission, as principal, agent, person, or employee, except for their own individual acts of dishonesty or crime. No such person or employee shall be held responsible individually for any act or omission of any other member of the Board, Varietal Councils, committees, or employee. The liability of the Board or Varietal Councils, their committees, or employees shall be several and not joint and no member shall be liable for the default of any other member.

## ARTICLE III - VARIETAL COUNCILS

### **Section A.** ESTABLISHMENT, MEMBERSHIP, AND TERM OF OFFICE.

1. Upon recommendation of the Board and approval of the Department, Varietal Councils may be established for any or all varietal groups or categories pursuant to Section 9 of Article I of this Program. Said Councils shall consist of not less than five (5) nor more than seven (7) members and their alternate members who shall be regularly engaged in producing at least one of the varieties involved, plus such ex officio members or consultants as the Council may recommend or as required by Section B of this Article III. All of the members and alternate members of each Varietal Council shall be appointed by the Department in accordance with the provisions of this Program; provided, no person may serve on more than one (1) of the Varietal Councils simultaneously. (Amended 5/10/1995)

2. There may be an alternate member for each member of a Varietal Council selected in the same manner and for the same term as the member. Such alternate member shall, in the absence of his or her member, sit in the place and stead of the absent member or any absent member, provided that in representing an absent member the alternate living in closest proximity of the absent member shall serve. When sitting in place and stead of a member, said alternate shall have all the rights and privileges of such member. In the event of the death, removal, resignation, or disqualification of a member, his alternate shall act in his place and stead until his successor is selected, appointed, and has qualified. (Amended 5/10/1995)

3. Except for the initial Varietal Councils which have been established in conformity with Section C of this Article III, the terms of office of members and alternate members of any Varietal Councils that may be established pursuant to this Program shall begin on the first day of June of the year in which they are appointed and shall continue at the pleasure of the Department for a period of three (3) years and until their successors have been selected, appointed, and have qualified. (Amended 7/14/2015)

4. Notwithstanding the other provisions of this Article III, if a duly established Varietal Council determines that it would assist in establishing a quorum at any meeting of that Varietal Council, it may recommend to the Board, and the Board may recommend to the Department, that any alternate member of that Varietal Council who is present be authorized to vote on behalf of an absent member whose designated alternate is also absent; provided, that when more than one nonvoting alternate is present, the alternate who resides closest to the residence of the absent member will be the alternate authorized to cast that absent member's vote. (Amended 5/10/1995)

### **Section B.** EX OFFICIO OR CONSULTING MEMBERS.

Each term any active Council may nominate and the Department may appoint persons as ex officio or consulting members of said Council. In addition, any active Varietal Council shall nominate for approval by the Board and appointment by the Department, from the handler members or alternate handler members of the Board, at least one handler to serve as an ex officio handler member of said Council. Ex officio or consulting members of active Varietal Councils may participate in any or all deliberations of said Council; provided, that such members shall not be counted in determining the presence of a quorum, nor may they participate in the voting.

**Section C. INITIAL VARIETAL COUNCILS.**

1. Any Varietal Council duly established under the terms of this Program prior to its amendment in 1979, may recommend for approval of the Board and the Department establishment of a Varietal Council which shall function as the initial Varietal Council under this amended Program. Such recommendation must be presented to and approved by the Board serving in the 1978-79 marketing year and approved by the Department prior to the hearing(s) held on this amended Program. Each such recommendation shall contain the number and the names of those nominated to serve on the Council, a proposed program of activity, a budget, and either a recommended assessment rate or evidence of sufficient carryover funds to cover the proposed expenditures. When any such proposal has been duly approved, the Department shall receive at the public hearing(s) held on this amended Program nominations of producer members and alternates and may receive nominations of ex officio handler member(s) and alternate(s) eligible to serve on said initial Varietal Council. Nominations of such ex officio handler member(s) and alternate(s) may also be made by the appropriate Varietal Council either by preferences indicated at a meeting of the Council or by poll of the members of the Council without a meeting.
2. The Department shall appoint the members and alternate members on an initial Varietal Council from the nominations received at such public hearing(s).

**Section D. NOMINATION AND APPOINTMENT OF SUCCEEDING MEMBERS AND ALTERNATE MEMBERS OF VARIETAL COUNCILS AND VARIETAL SELECTION COMMITTEES**

1. Prior to or during the month of January 1981, and every three (3) years thereafter during which this Program is in effect, the Department shall cause meetings to be held for the purpose of receiving nominations of producers eligible to serve as members and alternate members of each Varietal Council which may be established in conformity with Article II, Section C, Subsection 2(a) of this Program. The Department may also receive nominations of ex officio handler members(s) and alternate(s) for succeeding Varietal Councils in the manner indicated in Subsection 1 of Section C of this Article III with respect to nominations of ex officio handler member(s) and alternate(s) for initial Varietal Councils. Such members and alternate members of said Councils shall serve for the next succeeding term of office, and until their successors have been nominated, appointed, and qualified. (Amended 5/10/1995)
2. Should the producers of any Major Varietal Category, including the Miscellaneous Varietal Category, elect not to establish a Varietal Council, the Department shall cause meetings to be held for the purpose of receiving nominations for members of a Varietal Selection Committee to be established pursuant to and to carry out the responsibilities set forth in Article II, Section C, Subsection 2(b) of this Program.
3. Separate meetings shall be held for the producers of each Major Variety and of the Miscellaneous Variety and only those of record with the Department of Food and Agriculture as producers of the variety for which the meeting is held will be eligible to make nominations for the Varietal Council or the Varietal Selection Committee and participate in any balloting necessary to reduce the number nominated to the number of positions to be filled. At such meetings, insofar as practical, there shall be at least three (3) and preferably four (4) persons nominated for each member position to be appointed to a Varietal Council from that area of production. For Varietal Selection

Committee positions, there shall be at least one (1) person nominated for each position to be filled from said area of production. In either case, all who are so nominated must be producers of the variety they are to represent.

4. From the nominations received, the Department shall appoint the members and alternate members to serve on each Varietal Council for the designated term of office, but no member or his alternate shall be appointed to serve concurrently on more than one council. From nominations received for positions on a Varietal Selection Committee, the Department shall appoint members to serve until their responsibilities under this Program have been completed, but no member shall be appointed to serve on more than one Selection Committee.

#### **Section E. FAILURE TO NOMINATE.**

In the event nominations are not received pursuant to Section D of this Article, the Department may appoint the members and alternates of the Varietal Councils, and the members of Varietal Selection Committees for the next succeeding term of office or selection period, without regard to nominations; provided, that the persons appointed are properly representative of the persons directly affected by this Program. (Amended 5/10/1995)

#### **Section F. QUALIFICATIONS.**

Any person selected by the Department as a member or alternate member of a Varietal Council shall qualify by filing a written acceptance, Oath of Office, and other required forms with the Department within such filing period as may be established by the Department.

#### **Section G. ALTERNATE MEMBERS.**

An alternate member of a Varietal Council shall, in the absence of the member for whom he is the alternate, sit in the place and stead of such of such member. When an alternate sits in the place and stead of a member, such alternate shall have all the rights, privileges, and powers of such member. In the event of the death, removal, resignation, or disqualification of a member, his alternate shall act in his place and stead until a successor of such member is selected and has qualified.

#### **Section H. VACANCIES.**

The Department, through appointments, may fill vacancies occasioned by the death, removal, resignation, failure to qualify, or disqualification of any member or alternate member of a Varietal Council. (Amended 5/10/1995)

#### **Section I. ORGANIZATION.**

1. Each Varietal Council shall select a Chairman, Vice-Chairman, and other necessary officers and may adopt such rules for the conduct of its meetings as it may deem advisable.

2. A majority of the members of any Varietal Council shall constitute a quorum. Provided a quorum is present, any recommendation of any Council shall require an affirmative vote of a majority of the voting members present.

**Section J. DUTIES AND POWERS OF VARIETAL COUNCILS.**

Each Varietal Council may investigate and recommend to the Advisory Board programs and activities peculiar or unique to the variety concerned. This authority may include but not be limited to recommending the levying of assessments on the variety or varieties covered by said Varietal Council in accordance with Article VII of this Program, and recommending programs of advertising, sales promotion, research, or any other activities authorized by this Program, and to utilize the funds generated by such assessments to carry on programs for the benefit of the variety or varieties concerned. Varietal Councils shall also have the authority to recommend expending or refunding of monies on hand from assessments and other income held for the account of the Varietal Council established for that variety under the Dry Bean Program prior to its amendment.

**Section K. EXPENSES.**

The member of a Varietal Council, including ex officio members or consultants and members of the Board staff may be reimbursed for allowable expenses necessarily incurred by them in the performance of their duties and in the exercise of their powers hereunder, but no such member shall receive a salary for performance of such duties. Such expenses shall be reimbursed from the funds of said Council, except when the Advisory Board specifically authorizes reimbursement in whole or in part from the general funds of the Board.

**Section L. LIMITATION OF LIABILITY OF MEMBERS OF THE VARIETAL COUNCILS.**

The members of the Varietal Councils, ex officio members or consultants, or any committees hereunder duly appointed by the Department shall not be held responsible individually in any way whatsoever to any producer or any other person for errors in judgment, mistakes or other acts, either of commission or omission, as principal, agent, or person, except for their own individual acts of dishonesty or crime. No such person shall be held responsible individually for any act or omission of any other member of a Varietal Council or its committees. The liability of any Varietal Council, or its committees, shall be several and not joint and no member shall be liable for the default of any other member.

**Section M. ADDITIONS TO OR DELETIONS FROM THE MAJOR VARIETAL CATEGORY.**

1. Upon receipt from a substantial number of the producers of a variety which is classed in the Miscellaneous Varietal Category, or from producers of a new variety of dry beans not heretofore grown in commercial quantities in the State, of a request that said variety be classed as a Major Variety under this Program, the Dry Bean Advisory Board shall consider the request promptly, shall conduct a survey of opinions of producers and handlers of said variety throughout the State by means of public hearings, referendum, or other satisfactory method, and shall submit the request to a vote of the Advisory Board after a full discussion of all information obtained in the survey.

2. On a favorable vote of not less than seventy-five percent (75%) of the producer members and seventy-five percent (75%) of the handler members of the Advisory Board, the Board may recommend to the Department the addition of varieties to the definition of Major Varieties or Major Varietal Categories set forth in Article I, Section A, Subsection 9.

3. Upon receiving a recommendation from the Advisory Board to add varieties to said definition, the Department may approve such addition. Said action shall be considered a minor amendment as defined in the Act.

4. The Advisory Board shall also recommend a rate of assessment calculated to provide adequate funds to defray the proposed expenditures as set forth in said budget and subject to the limitations set forth in Section C of this Article.

### **Section B.** RECOMMENDATIONS OF BUDGETS AND RATES OF ASSESSMENT BY VARIETAL COUNCILS.

At the beginning of each fiscal year thereunder and as may be necessary thereafter, a Varietal Council may recommend to the Advisory Board a budget of estimated income, which income may include funds carried over from appropriate Varietal Council(s) under the predecessor program, and expenditures and reserves for the administration of and support of any activities authorized under this Program which are conducted primarily for the benefit of the variety or varieties included in its jurisdiction. A Varietal Council may also recommend a rate or rates of assessment to the Advisory Board calculated to provide adequate funds to defray the proposed expenditures as set forth in its budget. Said assessment shall be levied only upon producers of the variety or varieties involved and subject to the limitations set forth in Section C of this Article.

### **Section C.** LIMITATIONS ON RATE OR RATES OF ASSESSMENTS.

#### 1. Dealers.

A general rate of assessment on dealers shall be uniform for all varieties or varietal categories and shall, upon recommendation of the Board and approval of the Department, be not in excess of one cent per hundredweight (\$0.01/cwt.) of beans marketed or purchased for marketing by each dealer during each marketing season. The dealer assessment shall be used exclusively in the budget of the Board to defray administrative costs and conduct programs for the benefit of all varieties of dry beans grown in California.

#### 2. Producers.

a. **Assessment Units and Limitation on Total Combined Rates of Assessment.** Any assessment on producers hereunder may be levied and collected in terms of cents per hundredweight (¢/cwt.) or any other units; provided, in no event shall the Board or any Varietal Council recommend, nor shall the Department approve, the levying of a total combined rate or rates of assessment for administration and for research, advertising, sales promotion and market development on any producer

of more than three-fourths of one percent (0.75%) of the average of the gross dollar value of sales of all dry beans by all producers for the previous five marketing seasons.

b. **Limit on General Rate of Assessment.** In no event shall the Board recommend, nor shall the Department approve, the levying of a general rate or rates of assessment for both administration and research and for advertising, sales promotion and market development uniformly applicable and common to all producers of all varieties of dry beans of more than one half of one percent (0.5%) of the average gross dollar value of sales of all dry beans by all producers for the previous five marketing seasons.

c. **Limit on Varietal Rates of Assessment.** In no event shall a Varietal Council or the Board recommend, nor shall the Department approve, the levying of a varietal rate of assessment for both administration and research and for advertising, sales promotion and market development on producers of the variety or varieties concerned which is more than one-fourth of one percent (0.25%) of the average of the gross dollar value of sales of the variety or varieties concerned by all producers for the previous five marketing seasons.

## 2. Warehousemen.

There shall be no assessment rate as such levied on warehousemen hereunder. However, any costs to warehousemen in providing reports and information to the Board, in addition to the costs of collecting and remitting by warehousemen of assessments levied on producers and dealers, shall be considered as costs in lieu of assessments levied on warehousemen.

### **Section D. APPROVAL OF BUDGETS AND FIXING OF RATES OF ASSESSMENT BY THE DEPARTMENT.**

If the Department finds that the recommended budgets and the combined rate or rates of assessment are proper and equitable and calculated to provide such funds as may be necessary to properly carry out the provisions of this Program, he may approve such budgets and rates; provided, however, that in no event shall such combined general and varietal rates of assessment exceed three-fourths of one percent (0.75%) of the average of the gross dollar value of sales of all dry beans by all producers for the previous five marketing seasons.

### **Section E. PAYMENT AND COLLECTION OF ASSESSMENTS.**

1. The Board shall recommend for approval by the Department procedures as necessary to assure the collection of assessment on all lots of beans marketed. Each producer and dealer shall be liable for his proportionate share of any assessments recommended by the Board and fixed by the Department; provided, that no producer shall be assessed more than once on any lot of dry beans or portion thereof marketed by said producer and; provided, further, that no dealer shall be assessed more than once on any lot of dry beans or portion thereof received and handled by said dealer.

2. To facilitate collection of assessments, the Department may require either the warehouseman or the first handler agent designated for such purpose by the producer to collect and remit to the Department, (1) the assessment(s) on the producer on all dry beans received, cleaned, sorted, stored, or otherwise prepared for market by warehousemen or by such agents for producers, and (2) the assessment on the dealer to whom the beans were first sold. The Department shall verify that proper payment has been made by warehousemen and by such agents, for and on behalf of producers

and dealers. Such assessments may either be added to the invoice for services rendered by warehousemen or producers or dealers or deducted from monies owed to producers by the first handler agent designated for such purpose by the producer.

3. Although for convenience of collection, assessment procedures hereunder call for collection by warehousemen or designated agents for producers, any assessment levied hereunder shall constitute a personal debt of every producer or dealer so assessed and shall be due and payable to the Department upon demand at such times and in such manner and amounts as the Department may prescribe by administrative rules and regulations or otherwise. The manner of collection may include estimated (or preliminary) and final weights or gross dollar values and adjustments as necessary for correct assessment collections.

4. In the event of failure by any person to pay any assessment payable hereunder, the Department may file a complaint against such person in a State court of competent jurisdiction for the collection thereof pursuant to the provisions of Section 58929 of the Act. Pursuant to the provisions of Section 58930 of the Act, the Department may add to any unpaid assessment a collection expense penalty not to exceed ten percent (10%) of such collection, any such producer or handler shall pay to the Department a penalty of five percent (5%) for each thirty (30) days of the unpaid balance for each thirty (30) days the assessment is unpaid, prorated over the days unpaid, commencing thirty (30) days after notice has been given to such producer or handler of his failure to pay the assessment on the date required, unless the Department determines to his satisfaction, that such failure to pay is due to reasonable cause beyond the producer's or handler's control. Such penalty shall not exceed fifty percent (50%) of the total amount of the assessment due.

#### **Section F. REFUNDS.**

Any money collected as assessments during a marketing season and not expended in connection with this Program may, at the discretion of the Department, be refunded after the close of any marketing season upon a pro rata basis to all persons from whom assessments were collected; or all or a portion of such money as may be recommended by the Board and approved by the Department may be carried over into the next marketing season if the Department finds that such money may be required in defraying the costs of this Program in such succeeding season.

#### **Section G. BONDS.**

The Department may require that any and all persons handling substantial funds collected pursuant to the provisions of this Program shall execute and deliver to the Department a bond or bonds in such amount as the Department may designate with surety thereon satisfactory to the Department conditioned upon the faithful performance of the duties of such person pursuant to the provisions of this Program.

In addition to such reports and information as are provided for herein with respect to collection of assessments levied on producers and dealers, upon request of the Board and approval of the Department, each warehouseman shall furnish to the Board such reports and information, in such manner and at such times as deemed necessary by the Board and the Department, to enable the Board to perform its duties and exercise its powers in the proper administration and enforcement of this Program in accordance with, and to carry out, the provisions of this Program and the declared purposes of the Act. Any costs to warehousemen in providing such additional reports and information shall be considered as costs in lieu of assessments levied on warehousemen.

The Department and the signatories to the assents or referendum ballots to this Program hereby declare that he would have issued this Program and each sentence, section, clause, or part thereof, and each of the signatories to the assents or referendum ballots in favor would have assented or voted in favor of or to each sentence, section, clause, or part thereof, despite the fact that one or more sections, sentences, clauses, or parts thereof be declared invalid or unconstitutional.
